

Queen Nefertiti

Hello, my name is Queen Nefertiti (*Ne-fur-tee-tee*). I am the wife of Pharaoh Akhenaton (*Ack-ah-nah-tun*) and a close relative of King Tut. My name means beautiful one. Along with my husband, I brought many changes to Egypt, which included the worshipping of only one god, Aton. Many statues and pictures were made of me because of my beauty.

Dress as the queen, with a crown and a lot of jewelry. Carry the famous picture of your face that still survives today.
