

Thomas Jefferson

Hello, my name is Thomas Jefferson. I am the main writer of the Declaration of Independence, as well as our third president. I was a shy law student when the idea of independence was being considered. I was a farmer, an inventor, and the creator of the American coin system. I started the Library of Congress, the University of Virginia, and the Democratic party. As president, I authorized the Louisiana Purchase, which doubled the size of the country.

After speaking, hold up a poster you have created with a large picture of a nickel with your face on it.
