

Zeus

(Myth)

Hello, my name is Zeus. I am the supreme ruler of all the Greek gods. I am the god of the heavens and the earth. I also control the sky and the rain. I use my lightning bolt to strike down mortals who displease me.

***Dress like a Greek god and hold a lightning bolt.
Pick three people from your team to gather around you and when you are done speaking pretend to strike them down with your lightning bolt.***
