

Robert Livingston

(First Part)

We have included examples of the evil things that King George has done to us. He has sent armies over to America, even though there is peace. He has taken our laws away from us and our rights to live the way we want. He has refused to let other people from other lands come to America, and has sent his own new officials to watch over us. He has told the Indians to riot, attack, and kill Americans. He even protects his soldiers when they are guilty of crimes, such as murder!

(Second Part)

(Recite this last line in unison with all the characters.)

And for the support of this Declaration, with a firm Reliance on the Protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.
