

It's Time To Reserve Your Walk Through Presentations for 2020/2021!

After 40 years, our Walk Through Presentations are still considered the best "in-school field trip" around!

Over a million students have had the benefit of participating in *Walk Through California*, *Walk Through the American Revolution*, and *Walk Through the Ancient World*.

We look forward to bringing the Walk Through presentations, **Live & Virtual**, to you during the 2020/2021 school year!

Virtual Presentations Available!

We are excited to announce that California Weekly Explorer is introducing a virtual experience of the acclaimed Walk Through presentations! To accommodate distance learning due to COVID19 classroom closures, teachers can now invite the Walk Through to their virtual classrooms using Zoom. The presentations will be led by a single presenter for each class participating and will maintain the fun and excitement expected of a Walk Through experience. Staple favorites such as friendly competition, team cheers, going for the gold/glory, sentence juice, music, and various games will be included. The presentation will maintain the 2 ½ hour design of up to 36 student participants placed in teams and the same amount of expert word and character cards to be assigned. Bonus features for virtual learning will include various visuals to enhance student participation. Students will be encouraged to dress in historical outfits to represent the characters they are playing (*Walk Through Revolution* or *Walk Through Ancient World*), the time period being presented, or for Walk Through California in costumes depicting their *Expert Word*. Team scores will be recorded by the classroom teacher and the winning team will be announced at the end.

We look forward to offering this experience during this trying time and continue to hope for the safety and health of our teachers, students, and families.
